I SEE MY SPIRIT FRIENDS

8 stated in the preceding chap-A conference of 100 members of the large ter, for years I have had spirits talk to me in my sleep. They had been called to me in my sleep. work and advised how to I coding chapter when I needed \$3,000,-000, I received thought waves that

the Bolsheviki in and out of Russia.

The call for the conference was issued by Alexander Kerenzky, former large map of the Western part of the United States and Northern Mexico. Running directly from Kanaas City to the Gulf of Mexico was a vivid red

The call for the conference is regarded as the first constructive step taken by the revolutionary and denocratic parties of Russia opposed to the Bolsheviki in the direction of creating a solid, democratic front against the Bolshevik Government.

and when Miss Mabel Case, daughter of Mr. and Mrs. Androw Case, No. 62
Beacon Hill Avenue, was married to Majer Raiph Edward Balley of Needham, Mass. The ocremony was porformed at the rectory of St. Stephen's Episcopal Church by the Rev. William the incident connected with this message. He was amazed, not at the Episcopal Church. The bride was a special Red Cross worker at Berns when she met Major Balley, then satisfaced to flain worker at Berns when she met Major Balley, then satisfaced to flain worker at Berns when she met Major Balley is the son of Oliver Major Balley is the son of Oliver Balley of Needham and is to engage the son of Oliver Balley of Needham and is to engage the son of Oliver Balley of Needham and is foreign representative of a Boston bank.

Indee it all from his small investment in the Kanses City Southern.

That night I went to the home of my attorney, Judge Trimble, and told him the incident connected with this message. He was amazed, not at the message, but at the fact that for the first time I had seen my messengers. He got down his large atias marked the road on it as it had been given to me, looked at me in a thoughtful manner and said. "It's wonderful—I am confident you will build it—something tells me you will open. Forget the loss of your old road and start at once on this. I shall invest in it when the time comes to do so."

I also told Mr. Martin and he was

omes to do so."
I also told Mr. Martin and he was I also told Mr. Murtin and he was meazed at the tragnitude of the plant. When he laid his ruler on the map and found that the Pacific terminus was 200 miles east of Sait Lake City on a north and south line, he said. "Wonderful—I had no idea the west—

The second day after receiving this measure a testimonial dinner was given for me at the Midland Hotel. Feb. 11, 1990, at which time I was prosented with a silver loving cup. It was after twelve when my time came to speak. There had been won-cerful speeches: Father Dalton, the leading Jewish ribbl, the leading

build a new road and brine the 'heific 400 miles nearer." They looked
at me in wonder. They thought they
had come to a funeral, and they
found a wedding. But on the way
home that night a number of my
hosts, who I am afraid, thought my
great losses had affected my mind,
asked how I could bring the Pacific
Ocean 400 miles nearer Kansas City.

A glance at the man would have A glance at the map would have

rave explained it.

The next day the Kansas City papers were full; the new road and the idea was the property of the world.

CHAPTER XII.

THE OPEN WAY

HE day after the testimonial dinner I called on my great him of my vision. He talked with interest, but when I told him of the two spirits that had delivered the smage, he, as usual, punched me in a ribs and laughed, but invited me

promise of \$500,000 if he secures a concession from Mexico. I will take \$100,000." I was promised \$400,000 more and left for Mexico the next day with Mrs. Stillwell.

Arriving at Chihuahua, my first stop I called on Mr. Enrique C. Creel, the Fresident of the Bank of Minero afterward Governor of Chihuahua, and later Ambassador to the United States.

- ALSO - - 1

would pay to build the railroad for the Pacific business. If there was a wall at the Pacific and no business

could ever leave mat port, it would pay to build the railroad for the great local business." And I am positive, after years of study of the territory.

that he was right.
Mr. Creel, the second day I was in
Chihuahua, agreed to become one of
the Vice Presidents of the road, and S stated in the preceding chap-ter, for years I have had spirits talk to me in my sleep. They

We left for the City of Mexico and I found to my great surprise that President Diaz knew I was coming and had one of his family to meet me mons on right living. At that im-portant meeting mentioned in a pre-get that wonderful interview. What a man! He was the most wonderbusiness relations with him. His great friendship is one of the things that I love to dwell upon. How he looked me over! I thought I could such a piercing look that you won-dered if he could see your back hair. I must have passed muster at the first interview, for he afterward said he was my friend before I had spoker

a word. And what a friend he was! President Diaz went over my maps D. Avksentieff, former Minister of Agriculture in the Keransky Cabinet and head of the Uffa Directorate, overthrown by Koichak in the summer of 1918, and Osip S. Minor, member of the central executive committee of the central executive committee of the Party of Social Revolution ists. Only duly elected members of the Constituent Assembly will participate.

The call for the conference is regarded as the first constructive step taken by the revolutionary and den-He then told me that later Mr. Hunt. It looked like a tremendous task to indertake a new trunscontinental tempted to find a line over the mountailroad, especially so soon after loss. He said, "It has the greatest railroad, especially so soon after losting the Kansas City Southern, but the fact that this road had proved a profitable investment for the stockholders was in my favor. Dr. Woods had received in the Southern \$200,000 for \$100,000; Mr. Church White, former cashier of the Bank of Commerce told me that the \$84,000 on which he had retired was every centhe had in the world, but that he had made it all from his small investment in the Kansas City Southern.

That hight the greatest tams. He said. "It has the greatest value as a transcontinental railroad. Humboldt has visited this section where you intend to put this railroad. Sector Stilwell, and he pronounced it the treasure-house of the world." I was the filled him the stead of the story of other men who had seen this line as I had the then asked me what I desired from the Mexican Government. I told him that I wanted national and federal ald that would equal three milions or dollars or five thousand dollars a mile. He said that he would

know about it. He then brought a bunch of telegrams from the Governors of the following States: Texas, Missouri, Kansas, Nebraska, Louisiana and Iowa, all telling of the Anisouri, Kanisas, Neurasan, Louis-iana and Iowa, all telling of the wonderful work that I had done in the upbuilding of the West; also one from Assistant Secretary of State Ryan. n coast of Mexico receded to such who was in Topeka at that time. I had never before read such wonder. The second day after receiving this fully complimentary telegrams. They

peeches: Father Dalton, the peeches: The next day, as I stated before, Jewish rabbl, the leading the concession was in my hands, and
